Caution to Travellers .- Daguerreotypes Cantion to Travellers.—Daguerrectypes and Economy.—Imposition upon the poor servant girls and the colored people. Beware of the Peter Funk artists—they report that true economy consists in having 50 cent pictures. No honest man, with a respectable establishment can make good pictures for 50 cents. The 50 cent system is awindle, started by incompetent persons for reason known only to themselves—for the truth of which HOLMES refers to all the creditable artists of the city. Holmes makes the best style of Dagurrectypes for \$1.50. Those who obtain them practice real economy and good taste. Call of Holmes, and realize a good picture—289 Broadway.

The Practice of Economy is as valuable to any man as finding a rich placer in California, and one of the first rules of true economy is to get averything good and and any and so of true economy is to get everything good, and at as low a price as possible. Therefore, true economists go to THOMFSON, 315 Broadway, to get their Daguerrectypes taken, because there they can get a first-rate likeness for half the money they can at any other respectable establishment. A good Daguerrectype likeness, enclosed in a handsome case, at fifty cents. J. W. THOMFSON, Daguerrean Artist, 316 Broadway.

To Daguerrectype a Groupe of Persons is, to most operators, a difficult matter, but we have seen many groups made by ROOT, that were to our eye perfect. Every lineament, every shade and fold of dress from top to too was the exact copy of the original. Mr. R. takes these large groups, as well as single pictures, of all sizes, whether the weather be fair or cloudy, sunny or stormy, at his popular gallery, 303 Broadway, corner of Franklin street, from which place no one ever went away dissatisfied.
